## Introduction of Chief Guest RI Director TN Subramaniam

RI Director TN Subramaniam was formally introduced by PP Rtn Salil Dev Singh Bali.

If such a leader appears to be a myth, look no further than **RID Rtn. T.N. Subramaniam**, fondly addressed as 'Raju' by his friends. "I've never believed that as I have a position, I need to be superior to others. Every position in Rotary is one of service. If the fellowship is the foundation of our organization, we must meet and greet each one at the same level," says the humble leader elected as the Rotary International Director 2023-25.

This is how he has been since his college days; friendly, fun-loving, approachable, and someone who has done it all, from television hosting to student politics, not to mention his exceptional

oratory skills that won him intercollegiate and intervarsity competitions. He has been the General Secretary, Jai Hind College, Government College Students Council, the Bombay University Students Council, and the Senate's first Bombay University student member. Professionally, he practices as a Senior Counsel in the Supreme Court, various High Courts, Tribunals and Arbitrations. His journey with Rotary is studded with achievements and accolades.
